

Client Name: Cloud Nine Clothing

Website: <https://www.cloudnineclothing.ca/>

Niche: Clothing

Target Location: Nationwide in USA

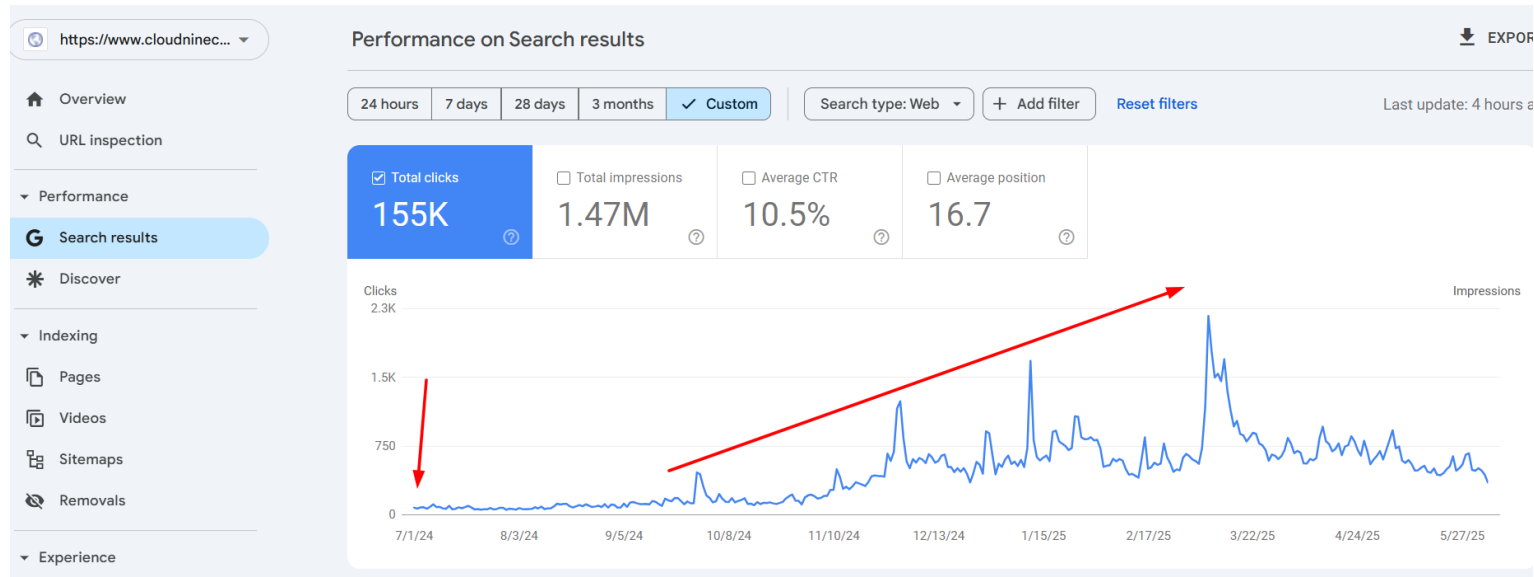

Client Overview: Cloud Nine Clothing is a wellness-focused fashion brand offering innovative apparel designed to bring calm and comfort. Based in California with nationwide delivery, their standout product—the anxiety hoodie—features sensory-friendly designs and built-in stress balls, crafted to help ease anxiety and promote emotional well-being. Their clothing blends style and functionality, making them a go-to choice for those seeking daily stress relief through fashion. Our team handled the complete website creation from the ground up, delivering a fast, user-friendly, and SEO-optimized platform. We also provide comprehensive on-page SEO services, including keyword research, content optimization, metadata structuring, internal linking, and technical enhancements. In addition, we support their growth through quality and relevant backlink acquisition, ensuring strong domain authority and visibility across search engines.

Service/s acquired: SEO Services & Web Design

Timeline: 10 Months – Present (Active Client)

Result:

- Organic search clicks have increased significantly on Google compared to the first few months before the project began, reflecting strong growth in visibility and engagement.
- At least 20 relevant and target keywords rank first in Google Search Engine.
